**\*For home: It's a good idea to keep a pencil pouch with pencils, pencil sharpener, crayons, colored pencils, etc. for homework and creativity as well!**

**\*We highly recommend *Ticonderoga Pencils*. This brand will outlast most other brands, especially the pencils that are really marked down. The cheaper pencils do not sharpen as well resulting in children going through many pencils before getting one to sharpen! Ticonderoga (in the long run) is more cost efficient.**

**\*Additionally, *Fiskar scissors* work extremely well, they are easier to control for elementary age students. Also, the *Crayola brand* seems to be the best for markers and colored pencils.**
